

Welcome to Willow Class pre nursery group. This group is designed for babies and toddlers with physical disabilities and/or complex medical needs and their parents/carers.

Pre-school age siblings are also welcome.

This group runs every Thursday in term time from 10.00am-12.00pm and we have a variety of toys and activities for children to play with and explore. We have break time at 10.30am where juice, fruit and biscuits are available. We also have an interactive music and singing session which parents can join in with.

These sessions run alongside our nursery class activities and will give you a flavour of what we offer. All Willow Class staff will be on hand to offer any advice required.

We also have a changing room attached where you can change your child if needed. We only ask that you check with a member of staff first, as it gets quite busy and children from other classes may be there.

We also ask that you stay with your child for the duration of your visit, as we are responsible for the nursery pupils we have with us.

We really hope you can join us and we look forward to meeting you.

Please telephone the school office to let us know if you are coming
